

# Come Celebrate Our 25th Anniversary!

Western Sports Foundation is celebrating its 25th year; and we knew a special celebration was in order. We are excited to share with you details of our upcoming Awards Gala. This event will take place in Austin, Texas on Thursday, August 24 ... and will make a great kick-off to the PBR Teams Austin Gambler Days.

The WSF 'Among the Stars Gala' will bring together many stars in the Western arena: rodeo athletes, executives, influencers, special guests, and more. The evening will be filled with lots of fun, entertainment, and of course, recognition for some truly amazing individuals. We think you'll be inspired by the stories of these talented individuals and the work they are doing in Western Culture.

The impact made by WSF over the last 25 years has been because of support from donors like you. Thank you for believing in us and our mission to help Western Sports Athletes have the same resources for success that other professional athletes enjoy.

We hope you will join us in Austin for this amazing event and will appreciate your support!

SUPPORTING TOTAL ATHLETE WELLNESS FOR THOSE COMPETING IN WESTERN LIFESTYLE SPORTS BY PROVIDING RESOURCES FOR LIFE

# 2023 Peyton's Project Runway

Western Sports Foundation had a front-row seat for all the action in Fort Worth in May during the PBR World Finals. Over the two-week event, WSF raised more than \$112,000 to support Western Athletes, thanks in large part to the fan-favorite, Peyton's Project Runway event.

What started five years ago as an idea by Peyton Martin-Gay has turned into a powerhouse fundraiser for WSF; this year's earnings pushed us past the half-million-dollar mark in total money earned in five years! We are so proud of Peyton and the amazing work she does! This year's show was bigger and better than ever, with many of our favorite athletes strutting their stuff on stage.

The funds raised will go a long way toward reaching our goals, and we couldn't have done it without the hard work and dedication of our volunteers and supporters. We humbly thank all the amazing sponsors, generous donors, and supporters of this event that helped us reach our goal—it means the world to us!

## **WELLNESS FOCUS**

## Physical Wellness: Sports-Focused Nutrition

Several years ago, **ADD Nutrition** joined the WSF family of Wellness Providers serving athletes of all disciplines in western lifestyle sports and quickly became a trusted partner to the athletes attending Wellness Clinics, as well as those requesting one-on-one coaching to reach their health goals.

April Dirteater-Roby, a registered dietitian and owner of ADD Nutrition, one of WSF's preferred Total Wellness providers, is herself an athlete, earning Pro status within the International Fitness + Body Building organization. She understands the needs of athletes and introduces nutrition that fuels and sustains them through competition, promotes healing, provides crucial nutrients for rebuilding damaged tissue, nutrition that maintains strength, delivers a healthy weight, and provides a solid nutritional foundation to support the rodeo athlete during their crazy travel schedule.

For the many athletes ready to make the commitment to improve their overall health, ADD Nutrition developed and delivers an 8-week performance nutrition course that begins with an introductory meeting to become better acquainted with the athlete as an individual and to understand their lifestyle, medical history, and eating habits. The approach employed by April and Shelena does not include telling the athletes what they "can't eat" or that they "must exercise in a specific way." Instead, educating and empowering the athlete to take nutrition into their own hands lays the groundwork for the athletes' success. The action plan developed with the athlete is further evaluated and refined during the twice-monthly coaching calls, with a focus on reviewing progress, celebrating successes, and

problem-solving to overcome challenges. Modifications are made as needed, and accountability and support are positive steps forward.

A successful nutrition plan, with realistic goals, is the recipe for immediate and life-changing success! Nutrition Wellness Services are delivered by ADD Nutrition and are available through WSF... at no cost to the athlete!

"Helping others reach their health and fitness goals has been my passion. As the wife of a PBR bull rider, I learned how few western sports athletes have access to this level of preparation and self-care. Partnering with WSF, we are working to change that!"

APRIL DIRTEATER-ROBY

## A Word from the Executive Director

The first 6 months of 2023 have been nothing short of record breaking! In this time, we have served over 303 athletes, from 16 different organizations, hosted three Wellness Clinics and paid out over \$320,000 in services! We have also welcomed some amazing new partners. In 2023, Presenting Sponsor - WSM Auctioneers, Official Silversmiths Sponsor - Montana Silversmith, TRU Western, American Hat, and we continue to have the unwavering support of Pendleton Whisky, YETI, Boot Barn, Ariat, Cinch and the PBR.

And I cannot forget to mention the RECORD-breaking event,
Peyton's Project Runway. This year we raised over \$112,000 and surpassed \$527,000 since
the inception of the event in 2019! WOW and THANK YOU is all I can say. All of this could not
be accomplished without each and every one of you and your support, your generosity,
your belief in our mission and your passion for the Western Industry.

We are excited for what the remainder of the year will bring and are honored to have you along for the ride! I hope to see you at one of our upcoming events; and I hope you will make a special trip to Austin, to join us at our 25th Anniversary Among the Stars Gala presented by the Austin Gamblers.

From the bottom of my heart, THANK YOU!
